

Bookbug Primary 1 Family Bag

The Primary 1 Bookbug Family Pack

is sent to P1 children (produced in English and in Gaelic) as part of the Scottish Government's commitment to raise attainment and close the attainment gap through the development of family learning.

The packs will arrive in schools in October/ November. A key focus is family engagement. It is recommended that these are gifted to children and their families during **Book Week Scotland**, Monday 27th November – Sunday 3rd December 2017.
