

# Anti-Weapon/Knife Crime – Pupil Voice

From previous pupil council groups pupil feedback was extremely helpful in establishing the current understanding of pupils across Aberdeen City in relation to anti-weapon crime. We want to continue with pupil engagement and use pupil voice to move the anti-weapon/knife strategy forward.

Please discuss the following within your pupil council/ voice group.

Q1.

All schools have received an anti-weapon school pack containing posters, leaflets, certificate and lesson plans. When your school introduces this pack we would like to hear what you think about it the anti-weapon pack.

Please send in your comments/feedback/photos/drawings or even pieces of work if your class has received a lesson on weapon crime. We also welcome any suggestions for improvements to the pack.

To spread the pupil voice across Aberdeen we will aim to forward some of your comments and feedback to the 'Chalk Talk' team for their next publication.
