NORTHERN ALLIANCE STRUCTURE

PAGE 19

The Northern Alliance is a Regional Improvement Collaborative between eight local authorities, across the North and West of Scotland: Aberdeen City, Aberdeenshire, Argyll and Bute, Eilean Siar (Western Isles), Highland, Moray, Orkney Islands and Shetland Islands, with a shared vision to improve the educational and life chances of our children and young people.

Unique to the Northern Alliance is its rurality, covering 58.4% of the landmass of Scotland yet representing a small percentage of the Scottish population. The geography and common challenges experienced across the region moved the collaborative to identify new ways of working and adopt a shared approach to the communities it represents in the North and West of Scotland and the islands.

The Northern Alliance continues to develop its culture of collaboration, sharing expertise and creating local and regional networks. Equity in educational outcomes with focus on the poverty related attainment continues to feature centrally in the work of the collaborative, and the four key priorities align with those of the National Improvement Framework.

- Priority 1: Improvement in attainment, particularly literacy and numeracy
- Priority 2: Closing the poverty related attainment gap between most and least disadvantaged children
- Priority 3: Improving the structure which help children and young people’s health and wellbeing
- Priority 4: Improvement in employability skills and sustained, positive school leaver destinations for all young people

As a group of eight local authorities, the Northern Alliance remains committed to improving outcomes and closing the gap which exists across our wide and varied communities and crucially, championing a child and family-centred approach to address achievement and to drive improvement.

## IMPLEMENTING THE PLAN

---

### GOVERNANCE

The governance of the Northern Alliance is designed to ensure a focus on collaborative professionalism at all levels with improving outcomes within an empowered system at the heart of our work.

### REGIONAL IMPROVEMENT FORUM

---

The Regional Improvement Forum is comprised of senior education officers from the eight local authorities, the Regional Improvement Lead, Quality Improvement Manager and Project Officer as well as the Senior Regional Advisor from Education Scotland.

The Regional Improvement Forum develops the Improvement Plan, agrees priorities and workstreams, scrutinises performance and allocates appropriate resources in order to drive improvement across the Regional Improvement Collaborative.

### WORKSTREAM LEADS

---

The Workstream Leads report monthly to the Regional Improvement Forum with progress updates. The process of monthly reporting ensures activity remains focused and continues to contribute to the successful delivery of the vision of the Regional Improvement Collaborative.

Each workstream has a steering group, made up of participants from each local authority, and Education Scotland, to focus on delivery of the workstream. The Quality Improvement Manager has oversight of each of the four steering groups and workstream leads to ensure consistency of approach across the workstreams.

### REGIONAL IMPROVEMENT ADVISORY FORUM

---

The Regional Improvement Advisory Forum is comprised of representation from senior education officers, local authority Education Conveners/Chairs, Head Teachers, Educational Psychology, Children's Services, Higher Education, LNCT and Public Health, and includes links from Education Scotland, Care Inspectorate and the Scottish Government.

The role of the Regional Improvement Advisory Forum is to scrutinise, support and challenge the work, progress and priorities of the Northern Alliance, the Improvement Plan and strategy. Acting as a 'critical friend' the Advisory Forum will review the reporting performance and associated activities of the Regional Improvement Plan.

### CONVENTION OF CONVENERS

---

The Convention of Conveners is comprised of Education Conveners/Vice Conveners, Chairs/Vice Chairs and senior officers from the eight local authorities.

The role and purpose of the group is to discuss, scrutinise and advise on the strategy of the Northern Alliance to ensure key objectives are met and to ensure each local authority has a strong voice in the work of the Regional Collaborative at a political and senior officer level.
