

# Regional Improvement Plan Phase 4 Putting the Plan into Practice - 2022-2023

*Developing a culture of collaboration, sharing of expertise and creating local and regional networks to improve the educational and life chances of our learners.*

Our vision sets out our aspirations and the Regional Improvement Plan provides the road map for our journey towards improvement. The diagram below shares our Workstream priorities and examples of what this will look like in practice.

## Feeling well and learning well

- Curriculum design and pathways
- Learning environments
- Nurture and belonging
- Learning partners
- Learning, teaching and assessment-sharing expectations
- Engaging in collaborative enquiry

## How we work and learn together

- How we create the conditions for meaningful collaboration
- Opportunities to connect and collaborate with colleagues on common themes
- Developing an online professional learning community

## WORKSTREAM PRIORITIES IN PRACTICE

## Breaking down barriers to wellbeing and learning

- Learner and family participation – working together to break down barriers to wellbeing and learning
- Using data effectively
- Sharing what works around national policy – e.g. UNCRC, Morgan Review, The Promise

## Working together to improve our system

- Understanding and using the Right Drivers to drive improvement from within
- Leading improvement at all levels of the system
- Sharing what works for you and learning from others
- Building collective responsibility for improvement within and across teams

The Northern Alliance CCITI model breaks down how we plan to get there. The five points of the CCITI model will help us build collective responsibility for whole system success.

## IMPROVEMENT/IMPACT

- Improvement case studies which are shared across our 8 local authorities

## CONNECT

- Make meaningful connections and communicate across the Northern Alliance through newsletters, social media, digital technology and networks

## TEST/TRY OUT

- Taking new ideas and testing them to see if they lead to improvement

## COLLABORATE

- Opportunities for meaningful collaboration to share practice and learn together

## IDEAS/INNOVATION

- Work together to create new solutions to common challenges
